

BUZZ

GRADES: 3-5

FORMATION: Standing in their own personal space

EQUIPMENT: None

LEARNING OUTCOMES: MATHEMATICS (multiplication)

SAFETY CONSIDERATIONS: Remind participants to be cautious when moving and to be aware of the personal space of others. Check that the participants have enough space to perform the activities safely.

RULES/DIRECTIONS:

This game is used to review a specific fact family and during this activity the whole class should be jogging on the spot. It can be played in a small group or with the entire class. The leader chooses a number between 2 and 9. Then leader says 1, the next player says 2, and so on. When they reach a multiple of the number chosen, the player says "buzz" instead of the number. If a player forgets to say buzz or says it at the wrong time, the class has to start over. The end goal is to play until the group reaches the last multiple of the number times 9.
