Trying to come up with a **new way to raise funds? Be creative!**

Try using some of the ideas outlined here for a fun and original way to raise the cash you need!

**Hold Casual Friday in the workplace. Collect donations in order to participate. Ask local businesses to join in and "compete" with each other.**

**Hold a "chuck-a-puck" at a hockey game. Spectators can purchase a hockey puck with a number on it and record their name on a list. During intermission, the pucks are thrown at center ice. The thrower of the puck that comes closest to the target wins a prize.**

**Hold a silent auction on prizes such as memberships and rentals.**

**Go door to door with magazine subscriptions.**

**Sell raffle tickets on various prizes.**

**Host a yard sale and sell donated items.**

**Sell citrus fruit by the bag or box.**

**Order boxes of potatoes, apples, blueberries, (or other produce) from local farmers. Resell the product for a profit.**

**Conduct coat check at local events such as dances, plays, school concerts, and sports events.**

**Sell seasonal flowers:  
Christmas  
Poinsettias,  
Valentine's Day  
Roses, Easter  
Lilies.**

**Hold a rock-a-thon (rocking chairs), skip-a-thon, skate-a-thon or other marathon event at a local mall and have sponsors and on-the-spot donations.**

**Organize a bottle drive. Go door to door collecting bottles then return for the deposit (best if done right after a holiday).**

**Hold 50/50 draws at games and dances and other public events.**

**Sell garbage bags or plastic food wrap.**

**Bag groceries at the grocery store or load shoppers' cars for tips on a busy day.**
